WHAT IS SPORTACCORD?

SportAccord brings together international sports federations and organisations involved in the business of sport. The annual World Sport & Business Summit is a six-day event attended by leaders of the global sports community. It engages international sports federations, athletes, industry, rights holders, organising committees, cities, government, agencies, media, technology, legal teams, medical professionals, inventors, and subject matter experts – represented at the highest levels.

SportAccord is the only global sports business event attended by all the international sports federations (100 plus) and their stakeholders, who host their Annual General Assemblies during SportAccord.

WHAT IS REGIONAL SPORTACCORD?

The Regional SportAccord brings together international sports federations and organisations involved in the business of sport for their region. The 3-day event is attended by international sports federations and regional leaders of the sports community. Regional SportAccord is aimed at international sports federations, cities/regions and ministries, rights holders, subject matter experts, media and industry – represented at the highest levels.

The event allows delegates to freely interact with key decision makers in sport from all over the world. This will

These stakeholders include: GAISF (Global Association of International Sports Federations), ASOIF (Association of Summer Olympic International Federations), and AIOWF (Association of International Olympic Winter Sports Federations), ARISF (Association of IOC Recognised International Sports Federations), AIMS (Alliance of Independent Recognised Members of Sport) and Associate Members.

SportAccord receives the full support of the International Olympic Committee.

be facilitated by the intimate, exclusive, and interactive design of the Regional SportAccord exhibition, featured areas, conference/workshops, social, cultural and networking activities. With this, the Regional SportAccord conference programme is designed to meet the needs of the continental audience and will tackle some of the most relevant topics in sport event hosting.

KEY ELEMENTS OF REGIONAL SPORTACCORD?

Regional SportAccord is a tailored event that brings together both international and regional key decision makers within the sports community. This includes the key stakeholders from the Olympic and non-Olympic sports movement, regional associations, ministries and governing sports bodies. In addition to this, commercial organisations who are in the business of sport who would like to develop their business further in this region. Regional SportAccord is a 3-day meeting with a themed conference programme, exhibition area and networking events.
