What is SportAccord?

WHERE SPORT MEETS

SportAccord is the world's premier and most exclusive annual 6-day event at the service of sport. It is focused on driving positive change internationally and dedicated to engaging and connecting; international sports federations, rights holders, organising committees, cities, press and media, businesses and other organisations involved in the development of sport. SportAccord is host to annual general meetings of governing bodies, bid cities, while also welcoming a delegation from the International Olympic Committee.

SportAccord is held in a different city each year and brings together representatives from more than 100 International Sports Federations and organisations for their key Official Meetings, a 4-day Conference Programme, an extensive Exhibition (3000-5000 Sq. m), scheduled Networking Opportunities with delegates from around the world.

SportAccord is a not-for-profit organisation which annually brings together representatives from the following umbrella organisations that host their Annual General Assemblies

at SportAccord. **ASOIF** (Association of Summer Olympic International Federations), **AIOWF** (Association of International Olympic Winter Sports Federations), **ARISF** (Association of IOC Recognised International Sports Federations), **AIMS** (Alliance of Independent Recognised Members of Sport), **GAISF** (Global Association of International Sports Federations) and **Associate Members**. In addition, SportAccord receives the full support of the **International Olympic Committee**.

International Sports Federations are independent, not-for-profit, governing bodies of individual and team sports, each recognised by the International Olympic Committee as administering their sport at global level. They standardise the rules of their sports and protect their integrity. They organise over 1000 international sports events in over 100 different sports disciplines and control large regional, continental and world competitions, and are the primary rights holders for these events.

Held during the week of SportAccord, the **CityAccord** is a half-day session designed to address the needs and concerns of cities

bidding for major international sporting events by bringing together bidding cities, national events organisers, sports commissions, host cities, local event organising committees and development authorities to share insight. CityAccord's aim is to simply help cities obtain and host world class sporting events.

The half-day **LawAccord** session offers the opportunity to examine the most pressing and relevant legal issues for the international sports movement. The **MediaAccord** session enables International Sport Federations, Media Organisations and Media Experts to work together and share best practices across all media platforms; finding winning ways to capture the passion and opportunities for the further development of sport. The **HealthAccord** session will include presentations, panel sessions and case studies with a focus on the power of sport to drive world health.

In addition, SportAccord features a robust **Summit** (main conference) to encourage dialogue and debate, with **Workshops** throughout the week for knowledge-sharing and the showcasing of best practices from industry thought-leaders.

Bidding and Selection Process

BACKGROUND

Under the strategic direction of the SportAccord President and Executive Committee, SportAccord has a transparent process of selecting host cities for future editions of the SportAccord. The objective is to select a host city 2 years in advance to ensure continuity and a smooth planning transition between each edition. Additionally, this allows the future Host City to attend the previous edition and establish working groups to plan for future success.

The SportAccord Selection Process is split into four stages:

.....
Stage 1: City Identification
.....

Stage 2: Initial Assessment, Review and Short List
.....

Stage 3: Individual City Evaluation and Comparison
.....

Stage 4: Final Selection
.....

STAGE 1:

Months

STAGE 2:

INITIAL ASSESSMENT, REVIEW AND SHORT LIST

Once all Bid City Applications have been received, together with a Letter of Commitment signed by a person of authority, these will be collated and presented to the SportAccord Executive Committee for initial assessment, review and short listing to ensure that the cities whom have applied follow the strategic direction of the SportAccord Executive Committee.
